Virtue of the week- kindness

#### Highlights of the week

Congratulations and a super well done to all the Year 2 children who continued to work hard this week.

As expected, the Yr 6 children in Kingswood and the Yr 5 children in Madrid represented their families and school in the best way ever. Well done boys and girls and thank you staff who looked after them so well.

Yr 4 had a great time using their Geography skills in the local area today. Well done Yr 4.

Each class has taken part in anxiety workshops this week. They have talked about what worries them and the different ways that they can cope with worries e.g. physical activity, talking or relaxing.

#### After School Clubs

This half term is a very short one with two bank holidays and some important assessments taking place for our children. Rather than run very short clubs, we have decided to resume after school clubs fully after half term. Look out for more information coming up.

## Safeguarding Spotlight

### **Personal Space**

**We all have the right to personal space.**

**We should find ways to respect our own and others' personal space.**

**Take a moment to help your children explore how they feel in their personal space- comfort zone and discuss with them people allowed to enter to their personal space.**

**Have a lovely weekend. We look forward to seeing you  
bright and early on Monday!**
